Thought for the month!

Adding new learning about technology that you use everyday but do not know enough about. Mind blowing. *May the lucky be with you..*

Legacy Catalogue is here...

This is just some of the Legacy suggestions that we can work together on to keep and preserve your legacy and the ones you love. Please click on this legacy image to have a look. Let me know what you think and remember, "May your legacy live on"....

Here is a story from my heart.

Theatre school in Thunder Bay, Musical Theatre. Time for the final night with the review show of each classes results of the week. Elected, Debra to be featured with Memory from CATS. All ready to go, piano player ready, comedy class off stage, lights up, play intro, BANG, BANG, BANG. Comedy balloons meeting lights. Lets start again, front spot only, sign song, finish, silence. Did everyone leave or that bad? Applause standing O. Still takes my breath
