Thought for the month!

Share with the ones you love how they have touched your heart and pass it long to the next love one. *Debra thought... I watch the family children grow through shared photos. Happy Valentines Day.* ❤️

Legacy Catalogue coming soon...

onward65.com/legacy.

You will soon get to see some of the Legacy suggestions that we can work together on to keep and preserve your legacy and the ones you love. Every day that we have is another day of our legacy. May your legacy live on....

Here is a story from my heart.

11:30 pm phone rings, small talk, "Why are calling at this hour?" "I just want you to know that you can come and pick up your son in 5 days." Panic 5 days - room to sleep in - not yet, bed to sleep in - not yet, clothes to wear, not yet. Sears here I come. "I would be glad to help you, I am adopted so now I can see what is like from your side." This changed my life and my heart.
